

# Your school's next step towards a low-carbon heating future.

**GRANTS  
AVAILABLE  
NOW**

## Take advantage of an excellent opportunity

Fresh off the back of our recent success in LCSF, the Government has set aside millions of pounds to help public sector organisations fund their decarbonisation projects. New schemes are opening up all the time, with valuable funding available to help schools and colleges engage with specialist consultants such as Hookway to get the expert advice guidance that they need to proceed.

## SIGNIFICANT SUMS RECENTLY SECURED FOR OUR CLIENTS IN THE LATEST ROUND OF SALIX LCSF FUNDING

### Experts in securing school funding

At Hookway we are perfectly placed to help put your heat decarbonisation plan in place. With over 70 years' experience in the education sector, we have an excellent track record in securing funds for a huge variety of projects. We can guide you through the process, either working alongside you to provide support and advice or managing the entire process from start to finish on your behalf.

### Reasons for your school to act

- ✓ Secure valuable funds
- ✓ Reduce your carbon emissions
- ✓ Be ready for future grant opportunities
- ✓ Enhance your school's reputation

### Reasons to choose Hookway

- ✓ Over 70 years' experience in helping schools
- ✓ Experts in sourcing funding
- ✓ Guidance every step of the way
- ✓ Working in partnership with Salix Finance

# What is the **Public Sector Decarbonisation Scheme?**

The PSDS provides grants for public sector bodies, including schools, to fund heat decarbonisation and energy efficiency measures.

It encourages a whole building approach to decarbonisation and has been set up to help reach targets set by the UK Government to become net-zero by 2050.

## Who is it for?

- ✓ Schools & Academies
- ✓ Multi-Academy Trusts
- ✓ Sixth Form Trusts
- ✓ Any other Public Sector organisations

## Maximise your chances of success

Hookway will work with you to identify how existing fossil-fuel based heating systems can be effectively replaced with low carbon, cleaner alternatives. Our detailed appraisals will provide the vital information required to produce a professional funding application that meets all the required bid criteria giving you the best chance of obtaining capital funding to finance your decarbonisation project.

Ensure your school does not miss out on the latest phase of applications

Contact Hookway on 0117 955 4545 or email [bristol@hookway.org.uk](mailto:bristol@hookway.org.uk)

“ Hookway have been vital in the process of applying for this funding. We handed them responsibility and they delivered a concise and detailed package of information which included everything required to submit to Salix. They made it easy and took it out of our hands. We can happily say that Hookway were crucial in us being successful and we look forward to working with them on the 2nd phase of application. ”

Kevin Smith, Torquay Boys' Grammar School

“ Hookway were instrumental in securing The Redstart Learning Partnership schools crucial Salix LCSF funding. This grant will provide us with invaluable energy appraisal surveys, which will greatly enhance our chances of being awarded PSDS capital funding for decarbonisation projects. ”

Dominic Heath-Coleman, Operations Manager  
The Redstart Learning Partnership
